All abilities welcome.

**Anvil Park Stud are extremely pleased to be able to offer our clients and competitors regular showjumping clinics with the fabulous Tim Page.**

Tim will teach and coach riders of all ages and abilities, within the showjumping discipline.

Tim is a talented young local show jumper from Bury St Edmunds.

Since the age of 12 Tim has been involved with show jumping, quickly progressing through the ranks as a teenager. At 19 Tim represented Great Britain on a Senior Nation's Cup team and was also part of the Young Rider team that same year. Tim has also represented the country at two under 21 European Championships.

At the start of this year Tim was re-selected onto the British Equestrian Federation's UK Sport funded World Class Development Program which works with talented riders to maximize their potential and deliver success. He also kicked off his competitive campaign in fine form with five wins at his first competition of the year in Solihull. Since then Tim has enjoyed success while out on the Sunshine Tour in Spain, with his most notable result a third in the 3\* Grand Prix – riding Quentin Tarrantino.

Back on home soil Tim and Quentin finished fifth in the Templant Events Queen Elizabeth II Cup at Hickstead and the partnership also picked up a third at the New Forest British Showjumping Business Partnership International Stairway at the New Forest and Hampshire Show.
